

## 1990-93 Mustang Automatic Shifter Housing Guide

### Removal:

1. Start by placing shifter in the lowest gear position. **(Figure 1)** (Vehicle differences may occur with swapped transmission utilizing aftermarket shift linkages)
2. Press on the thumb selector button on the shift handle. Using force, pull up to remove the handle. **(Figure 2,3)**
3. Pull up and Remove Shifter bezel. **(Figure 4)** (A plastic prytool may be needed to pop bezel off).
4. Remove the 4 screws holding the shifter housing, then remove housing. **(Figure 5)**

### Install:

5. Place new automatic shifter housing onto the shifter rod. Make sure the clear plastic Indicator ring slides over the rod with the housing. **(Figure 6,7)**
6. Attach the housing with the provided screws. (Do not overtighten or stripping of the threads will occur). **(Figure 8)**
7. Replace new or existing shifter bezel and press into place, making sure all the tabs are correctly aligned. **(Figure 9)**
8. Reinstall the shifter handle. Press in on the button and push down on the handle to seat it in place. (Will hear a click when fully installed) **(Figure 10)**
9. Test the function of the Automatic shifting assembly. (If the handle gets stuck before the park position, the handle is not fully pressed down on the rod.)

#### Disclaimer

By using this instruction sheet, you agree that other than as expressly stated in the LMR Terms and Conditions (Agreement) or as required by the laws of the state of Texas or applicable United States federal law (Applicable Law), this instruction sheet is provided "AS IS" and LMR does not make any specific representations or warranties about this instruction sheet. For example, LMR does not make any warranties about: (a) the content provided in this instruction sheet; (b) any specific features of this instruction sheet, or its accuracy, reliability, or ability to meet your needs. The knowledge and experience level of users of this instruction sheet vary widely; if you do not have adequate knowledge and experience to use this instruction sheet and safely accomplish the tasks described, please hire a professional to assist you for your safety and the safety of your vehicle and others.

#### Limitation of Liability

Except as required by Applicable Law, LMR, its affiliates, officers, directors, employees and agents will not be responsible for any loss of profits, revenues, business opportunities, goodwill, or anticipated savings, indirect or consequential loss, punitive damages caused by:

- Errors, mistakes, or inaccuracies in this instruction sheet
- Personal injury or property damage resulting from your use of this instruction sheet

This limitation of liability provision applies to any claim regardless of whether the claim asserted is based on warranty, contract, tort or any other legal theory.

Use this information at your own risk. Any injury, damage, or loss that may result from use of the tools, equipment, products, or information contained in this instruction sheet is the sole responsibility of the user.

#### Indemnity

To the extent permitted by Applicable Law, you agree to defend, indemnify and hold harmless LMR, its Affiliates, officers, directors, employees, agents, information providers, licensors, and other partners from and against any and all claims, damages, obligations, losses, liabilities, costs or debt, and expenses (including but not limited to attorney's fees) arising from: (i) your use of and access to this instruction sheet; (ii) your violation of any term of the Agreement; (iii) your violation of any third party right, including without limitation any copyright, property, or privacy right; or (iv) any claim that your actions caused damage to LMR or a third party. The defense and indemnification obligations will survive this Agreement and your use of this instruction sheet.
