

# FOX ESSENTIALS

## FIRST MODS

### 1979-1993 MUSTANG

#### Economy Headlight Kit

Our Economy Fox Body Mustang headlight kit is must have for any Aero front ('87-'93) Fox Body. With DOT approved amber side markers you can roll out in style and ditch your dingy stock lights.

#### Cowl Vent Grille

These Mustang Cowl Vent Grilles fit 1983-1993 and tend to break or fade over time. Adding a new Cowl Vent Grille can be perfect addition to your Fox Mustang Restoration.

#### Sunroof Weatherstrip Kit

A leaky, noisy Fox Body Mustang sunroof is no fun! Our Kit includes the weatherstrip that attaches to the sunroof glass and the weatherstrip that attaches to the body of the car.

#### Sunroof Latch Assembly

This high quality reproduction Mustang Sunroof Latch will get you fixed up and enjoying the sunshine once again. Includes sunroof latch assembly and glass mounting pivots to make your Mustang sunroof trouble free!

#### Run Channel Weatherstrip

Leaky windows? Typically the run channel weatherstrip will crack and break in the corners causing drips onto you and your interior. This kit is the perfect fix to keep you dry and reduce wind noise in your cabin.

#### Hatchback Weatherstrip

When your hatch weatherstrip becomes worn, you can experience wind noise, water leaks, and weatherstrip debris in your trunk. Get it fixed quickly and easily with this 79-93 Mustang hatchback trunk weatherstrip.

#### Lower Windshield Molding

These moldings can become faded or cracked over time and need to be replaced. These are held in with 2 clips that are already molded onto the new piece for an easy installation.

#### Power Side Mirror Kit

This 1987-1993 Mustang power door mirror kit is perfect for replacing your missing, damaged, or broken Fox Body side door mirrors.

#### Outer Door Belt Molding

Often sun baked and flaking, these are the passenger side and drivers side door belt moldings you need to freshen up your Fox Doors! Trash those dry rotted originals for these black rubber replacements

#### Door Latch Striker

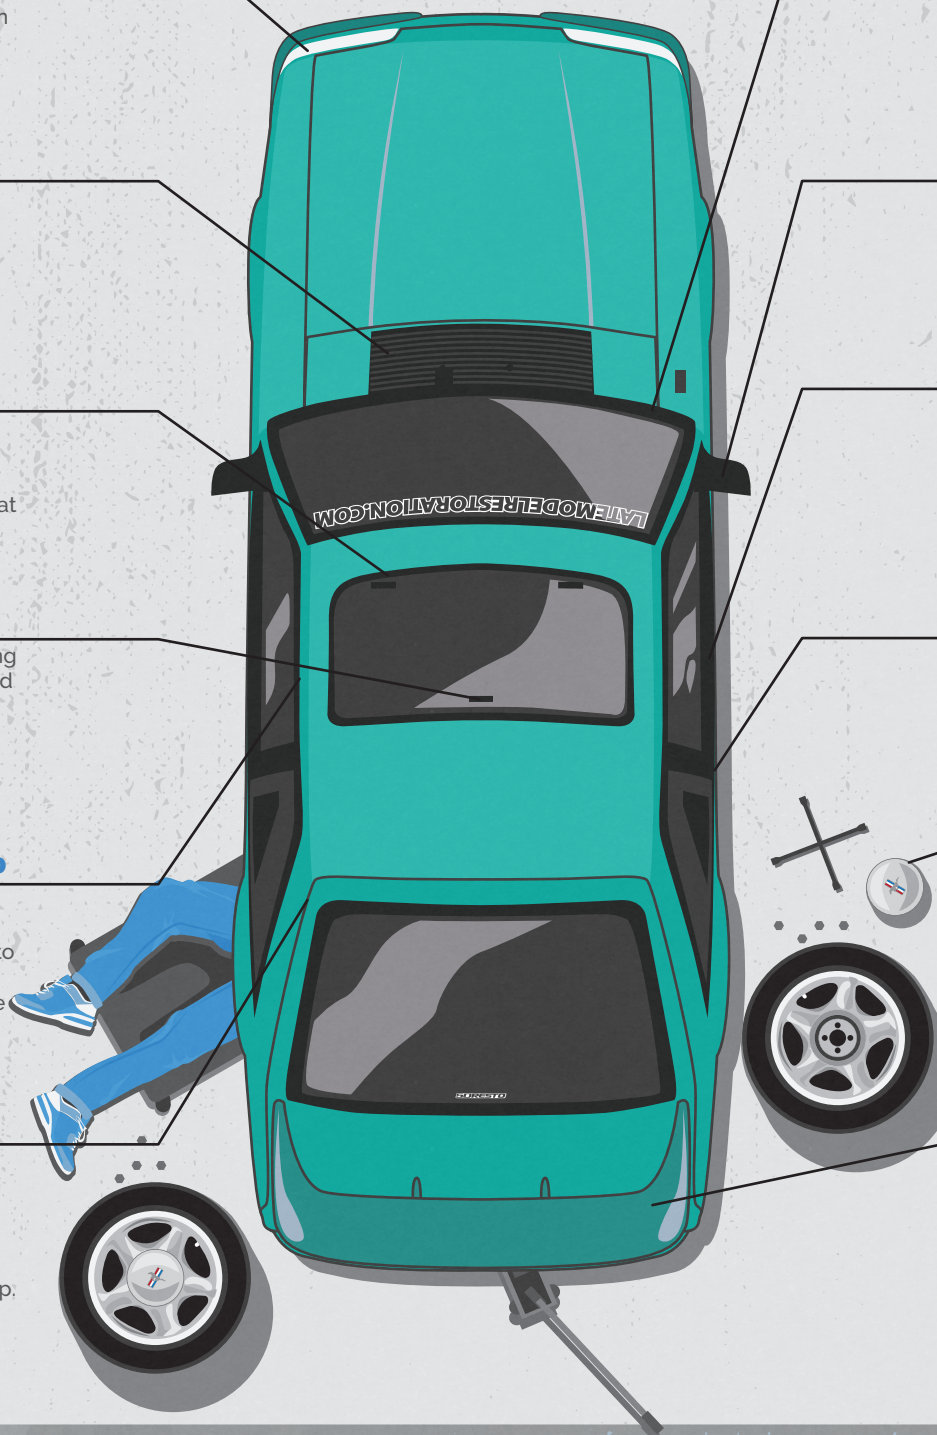

Are your doors hard to close and misaligned? This door latch striker replacement will make them shut with ease and reduce noise from a loosely latched Door! (2 needed per car)

#### Pony Wheel Center Cap

Pony wheels and no caps? This excellent quality reproduction silver painted center cap fits the popular 91-93 style 16" Pony wheel. Looks & fits exactly like the original.

#### '93 Cobra Rear Spoiler

This 1993 Cobra spoiler was one of the most unique options that set the SVT apart from other Fox Body Mustangs. The '93 Cobra style spoiler is the most popular spoiler upgrade for Foxbody Mustangs. Best of all, it fits all 1979-93!

#### Quarter Window Molding Covers

This is a pair of quarter window molding covers for your 1987-1993 Mustang Hatchback. These covers are made of black plastic and have a smooth, non textured finish and fit over your existing moldings. This is a budget friendly alternative to replacing the whole quarter window!

#### Door-To-Body Weatherstrip

This weatherstrip runs around the full door opening and seals the door to the body of the car when closed. These tend to get stepped on and wear out over time leading to annoying wind noise.

#### LX Tail Light Lens Kit

These high quality 1987-93 Mustang LX taillight lenses are easy to install, and a budget friendly alternative to replacing the whole taillight assembly. Kit includes driver and passenger side lenses, butyl tape rolls, and attaching lens clips.

#### Door Handle Pair

The original door handles on the later Fox Mustangs were made from plastic and commonly tend to break over time, but replacing them is a breeze with this Mustang door handle replacement kit. Our new replacement door handles are made from metal instead of plastic for a long lasting fix for your Mustang.

#### Black Door Lock Set

This premium quality lock set for your 1987-1993 Mustang. This is a great solution to replace all of your locks without have to get a locksmith to make new keys for your Mustang.

#### 8 inch Shorty Antenna

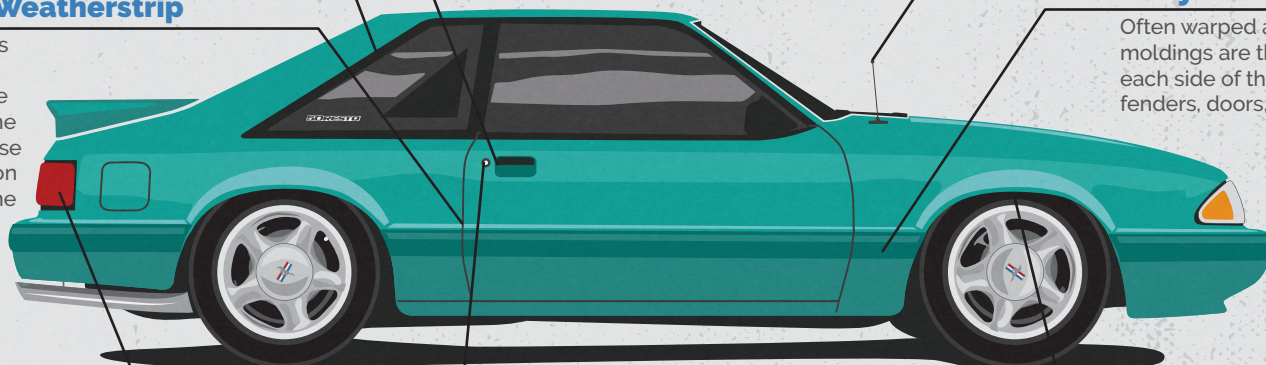

Our SVE 8 inch Mustang shorty antenna is made from stainless steel and powder coated black for lifetime quality. It is designed to look exactly like your stock antenna, only shorter! It comes with everything you need and installs in minutes.

#### Body Side Molding Kit

Often warped and faded, these moldings are the pieces that run along each side of the body and attach to the fenders, doors, and rear quarter panels.

#### SVE Lowering Springs

These new and improved SVE Mustang Lowering Springs offer aggressive styling and wicked handling, all at an affordable price! These Springs will immediately improve handling and give your Mustang that aggressive lowered look..
